

Project synopsis

The screenshot shows the FirstCry website homepage. At the top, there is a navigation bar with the FirstCry logo, a search bar, and links for location selection, stores, support, and account management. Below the navigation bar, a yellow banner displays various product categories. The main content area is split into two sections. On the left, a 'FASHION' promotion offers a flat 40% discount for Club members and a flat 35% discount for all users on the entire range, with a coupon code 'SPRGFSH'. On the right, a 'LIMITED PERIOD OFFER!' for 'CRAZY DEALS ON DIAPERS' features images of Huggies, Babyhug, and MamyPoko diaper packs alongside a crawling baby.

Overview:-

FirstCry.AE ~ big store for little ones is a one-stop online shopping destination for baby, kids & maternity products and your pass to access expert validated parenting & pregnancy advice & tools. No matter the age we have everything you would need from your baby's first cry on! To shop from a wide variety of baby, kids and maternity products, visit our category pages for Baby Gear, Baby Clothes, Kids Clothes, Footwear, Toys, Bath & Skin Care, Moms & Maternity, Nursery Furniture, Baby Health & safety, & more.

Goals:-

The image shows a login form for FirstCry.AE. It is titled "Login" and is divided into two main sections. The left section contains a text input field for "Email/Mobile Number", followed by an orange button labeled "LOGIN WITH OTP". Below this is a horizontal line with the word "OR" in the center, followed by another orange button labeled "LOGIN WITH PASSWORD". The right section is titled "Or Log in with" and contains two social login buttons: a Facebook button with the Facebook logo and the text "FACEBOOK", and a Google button with the Google logo and the text "GOOGLE". At the bottom of the right section, there is a link that says "New user? [Register Here](#)".

- Homepage :The Landing/Homepage offers various navigating feature including shopping,menu,find product,add to cart payment etc.,as shown in the image above.
